Dear Parents,

Do you and your daughter wonder what sleep-away camp will be like? Would you like to experience the comfort and security of knowing that she will be successful at Camp?

We're delighted to introduce your family to our *Week of Wonder*. This program, for girls entering 2nd and 3rd grades in September '12, is specifically designed to give your daughter a taste of the activities, fun, and friendship that she will find in a full seven-week season at Camp Wawenock.

Wonder Week Campers will swim, ride, go boating, do crafts, play tennis, take part in all-camp events and so much more. Whether she's exploring Camp's beautiful wooded trails, learning Camp songs or roasting marshmallows on a campfire, your daughter will learn by doing, and feel a great sense of accomplishment as she gains confidence and becomes a part of the Wawenock Family. Though your daughter will return home recounting stories of all the things she did and the fun she had, parents will recognize that behind the tales much more was achieved. One of the important goals of Wawenock's *Week of Wonder* is for each girl to gain a sense of independence while adapting to the give and take of cabin life.

Specially selected *Wonder Week Staff* help guide your daughter through her first independent group living experience with warmth, encouragement and enthusiasm. As the seven-week camp season will be in full swing, *Wonder Campers* will also be embraced by the entire Camp family.

Please note, spaces are limited in *Wonder Week*, so contact us as soon as possible if your family is interested in this exciting program. To confirm availability or ask questions, call 207 655-4657. We look forward to hearing from you.

Sincerely,
Andy, Catriona and Pat
